President Wilson seems to have found his diplomacy on a rock which is off its base most of the time.

The Eastern witnolds persist in referring to the Secretary of the Navy as Miss Josephine Daniels. No wonder the Woman's Party is camping on the trail of the Administration!

Mr. Wilson forgot to mention the pledges of economy in the 1912 platform.

## YOUR BALLOT

IS NEEDED

Tuesday Nov. 7th

To swell the vote for the Republican candidates for President and Vice-President

HUGHES

AND

FAIRBANKS

Vermont should retain her enviable reputation as a staunch, dependable, true blue Republican State. To do this, every voter should go to the polls.

The country will soon go through a re-adjusting period—a period in which men of capacity, men of integrity, men of loyalty to country will be needed to guide the ship of state to a safe and secure anchorage.

Hughes, as President, is the man to do this!

Then, too, your vote is needed to honor the candidates on the State Ticket with a majority that will remind us of the records that have been made when the Republican majority in Vermont in a national election approached 40,000. Elections giving a majority vote approaching 40,000 are the elections we love to recall.

Let us add one more just as gratifying to the list. Honor the national ticket by failing not to vote for Hughes and Fairbanks.

**Honor the Senatorial Ticket by voting for Honorable Carroll S. Page.**

**Honor the Congressional Ticket by voting for Hon. Frank L. Greene and Hon. Porter H. Dale.**

**Honor the Republican State Ticket by voting for Graham, Hulburd, Bailey, Scott, Gates and Barber.**

Now one of those old-time hurrah boys majorities, please.

## THE REPUBLICAN STATE COMMITTEE

Montpelier, Vt., Oct. 30, 1916

## FIVE THOUSAND A DAY

Enrollment in the Hughes National College League.

The Hughes National College League, 511 Fifth avenue, New York, is receiving enrollments at the rate of five thousand a day. They are coming from all parts of the country, and the work of organizing branches in all states and most of the important cities has been started. A large percentage of the enrollments are from men who give their usual political affiliations as Progressive, Democratic or Independent.

The league has received the endorsement of Governor Hughes, who wired: "If there was ever a time when the educated men of the country who have their welfare at heart should work for right principles and strong government it is now." Chairman Wilcox of the Republican National Committee, ex-President Taft, and John Hays Hammond have also praised the work enthusiastically, as much on the score of the benefit to the men themselves as of the rent work it will do to help elect Governor Hughes.

## Reasons Why Hughes Should Be Elected

BECAUSE he stands for Protection, Prosperity, Preparedness and Patriotism.

BECAUSE he will not permit partisanship to triumph over Patriotism.

BECAUSE his speech of acceptance expresses his desire to co-operate with labor for its advantage, not to exploit it for his own.

BECAUSE he will command the respect of Europe and Asia and win the friendship of Latin-America.

BECAUSE he will never by proclamation deny the right of Americans to pursue their business in other lands under the protection of the American flag.

BECAUSE he will not repudiate the American flag in any land.

BECAUSE he will not put action into words, but words into action.

BECAUSE, as Theodore Roosevelt well says, he has high sentiments of justice and dignity, is upright and straightforward, is an incontestable master of judicial matters, and always translates his words into deeds.

BECAUSE he is a strong, sure, courageous man, with a clear-cut program before him and with the courage, intelligence and determination to carry it out and bring to our country self-respecting peace and world-wide respect.

BECAUSE as Governor of New York he has already proved that he dared to do the right thing, and is prepared to further do and dare when called into a wider field.

BECAUSE he is not a dreamer and not a quitter.

BECAUSE he is a firm friend of preparedness for the United States and not for preparedness through political expediency.

BECAUSE he will not burden us with war taxes in time of peace.

BECAUSE we need a tariff not founded upon free trade, nor for "revenue only," but to protect American labor and American industry from the deadly competition of the foreigner.

BECAUSE he is a red-blooded American. His policy will be "America first, America efficient."

BECAUSE he can be depended upon to keep platform pledges.

BECAUSE he will protect this country against being flooded with the cheap manufactures of Europe after the war.

BECAUSE he is the chosen head of a party which has long fathered all great constructive legislation which experience has proved to be wise and which has invariably been opposed by the Democratic party.

BECAUSE a business man is going to be especially needed in the next few years. In consequence of the European war a tremendous readjustment of the world's business is ahead. The United States must be economically prepared. It must not, as now, be left defenseless. It must not have a President with an untrained business mind, ever changing. Mr. Hughes made a remarkable record as a business Governor of New York. He has extraordinary ability to see all sides of a question. Not from him, as from Wilson, will be heard any declaration that he will hang business men "high as Haman" if they do not agree with him.

BECAUSE he is a man of forward vision, of practicability and firmness, not a mere rhetorician and theorist.

BECAUSE he stands for the protection of American lives and property abroad as well as at home.

BECAUSE through him the whole nation will be in the Government. It will not be ruled by one section, nor by one man.

BECAUSE he is for an effective, not an unsound and sham system of rural credits to help the farmer and for a wise conservation of natural resources.

BECAUSE he is for a Federal workingmen's compensation law suitable for the employees of the Government and those employees engaged in interstate commerce and subject to the hazard of injury.

BECAUSE he favors investigating before legislating.

## Reasons Why Wilson Should Be Defeated

BECAUSE, to cite Representative Fitzgerald, Democratic Chairman of the Appropriations Committee of the House, during his administration the Democratic Congress has been the most extravagant that has ever met in the capital.

BECAUSE he insists on his shipping bill—an indefensible piece of folly which would destroy such merchant marine as we now have.

BECAUSE, although he says "he kept us out of war," the story of Mexico, San Domingo and Hayti refutes him.

BECAUSE he runs anti-climaxes. He marches in only to march out again.

BECAUSE he signed the seamen's bill, which practically has wiped out shipping on the Pacific Coast.

BECAUSE he attempted to scuttle from the Philippines and was defeated only by twenty patriotic Democrats who voted with the Republicans of the House.

BECAUSE he appointed as Secretary of State William J. Bryan after denouncing him as a pest who should be "knocked into a cocked hat."

BECAUSE he made possible Villa, murderer of men and despoiler of women, and Carranza, the fatuous and futile "First Chief."

BECAUSE Wilson's text book statesmanship and grape-juice diplomacy have made the United States an international laughing stock.

BECAUSE he appointed "deserving Democrats" to the diplomatic corps, displacing experienced men at a time when it was essential to the foreign trade and honor of the United States to retain competent, experienced men.

BECAUSE he is incompetent to lead, and veers like a weather vane whenever a zephyr of public opinion seems to blow against him.

BECAUSE his "one-track mind" has too many turn-tables.

BECAUSE he lifted the embargo of arms so that the Mexican desperadoes have used American ammunition to murder American soldiers and civilians.

BECAUSE the promised "pitiless publicity" has been replaced by private, special, secret negotiations by personal agents and representatives appointed by President Wilson without "the advice and consent of the Senate."

BECAUSE he reverses himself so rapidly that the entire country is seasick from the motion.

BECAUSE he is for free trade, direct taxes and an empty treasury—the same old Democratic trinity.

BECAUSE if the Payne-Aldrich law had been in operation in the last nine months of 1915 we would have collected \$91,656,161 more than we did under the Underwood law. It would have met the treasury deficits and have avoided war taxes. The foreigner selling in our market got the entire benefit of the \$91,656,161.

BECAUSE during the first ten months of the Wilson-Underwood law there were more unemployed being fed by charity than during any ten months in our history, excepting under the Wilson-Gorman act.

BECAUSE of his inconsistency on the immigration bill. In his "History of the American People," vol. 5, p. 213, he wrote: "The Chinese were more to be desired as workmen, if not as citizens, than most of the coarse crew that came crowding in every year at the Eastern ports."

BECAUSE he has not reduced, as he promised, the high cost of living, but has actually made it higher.

BECAUSE he was pledged to a single term by the Baltimore convention, but before the type was cold he was building up his fences for another.

BECAUSE, although posing as an advocate of civil service, every act of his as President in connection with civil service has been adverse to its principles, obstructive and destructive of its bona-fide practice.
